

Our Ginetta Track Day Experience gives you the opportunity to drive our cars at motor racing circuits. The experience is ideally suited to novice track drivers or those who would like to sample a Ginetta on track. With an instructor in car at all times you can be confident learning the characteristics of the car and circuit. Each event only has a small number of attendees so your host and instructor can ensure you are getting the most out of the day.

## EXPERIENCE INFORMATION

- > Bookings can be made for either two, four or six sessions driving on track.
- > Non-exclusive car hire with only 3 drivers per car.
- > All day hospitality and lunch, plus a goodie bag for every participant.

## THE CARS

2019 sees a new fleet of cars to BookaTrack. From our sister company Ginetta we have a fleet of G40's that are ideal for our track day experience. The cars are maintained and set-up in our Donington Park workshop for track driving.

## GINETTA G40 CLUB CAR (GRDC)

G40 race car that is eligible for the superb GRDC championship that supports prestigious British GT championship rounds. 135bhp from a 1.8 litre 4-cylinder Ford Zetec engine mounted to a 5-speed Mazda gearbox. Weighing 840kg this light and agile track and race car offers exceptional handling and performance.

- > T45 tubular chassis and integral safety cage built to FIA standards
- > FIA approved drivers seat and harnesses
- > Controlled Michelin road tyres, 7" x 17" wheels
- > Air conditioning and Internal soundproofing
